Patrick,

CDR Blake CC'd. CDR Amodio and crew will be here Tues-Thurs.

AIRLANT JAG made arrangements with Mr. Mann's lawyer for him to remove up his personal gear Thurs or Friday (2 Pickups, 1 dump truck, 1 Tractor), I am here all week and will meet with them. Any reason to hold onto this stuff?

V/r,

We will need to seize some of it as evidence (two brand new Mercruiser engines and outdrive in the shop on "the Island," and two brand new V12 Detroit Diesel engines in crates on the "Goat Road").

Please let us know in advance when the six folks will be TAD. I may want to be present.

Someone please forward this to CDR BLAKE and provide his email addr.

Thanks,

Patrick
